

A TEAM BUILT ON A FOUNDATION OF HOPE

ON ANGELS WINGS

On Angels Wings is a team comprised of automotive and motorsports enthusiasts who have joined together to support Hope for Hallie. We do so by raising funds and awareness for the organization through on track events, the annual Show for Hope, and the annual Ride for Hope. For more information, find us on Facebook:

HOPE FOR HALLIE

Hope for Hallie is a 501C(3) non profit organization. Their mission is creating a better tomorrow through mental health awareness and increasing access to care for children and adolescents through connection and community. Founded in memory of Hallie Jackson, a 16 year old young woman from Swarthmore PA. Hallie was an accomplished athlete, a good student, and a friend to all. She was a unifier, who always brought people together. Hallie tragically lost her life on October 28, 2019, by suicide.
